

Graphic & Web Designers Germany Email

PSD Tutorials (Germany) has over 160,000 members who utilize the site for its tutorials, templates and forums covering 2D and 3D design products like Adobe® Photoshop® and Autodesk Maya; video solutions like Adobe After Effects® and Lightroom; layout and vector programs such as Adobe Illustrator® and QuarkXpress; and web tutorials and tips on using Dreamweaver and Flash.

This list is made up of registered users of the site who have agreed to receive 3rd party emails on offers related to web and graphic design. Eighty-nine percent of subscribers are from Germany, the remainder Austrian. All are German language readers. They are graphics designers, web developers and designers, photographers and video/audio specialists – those using digital media design products from the major software vendors.

This list is an excellent vehicle for graphic and web industry support players marketing their products and services in Germany. It is being exclusively offered by Direct Effect Media Services' list management division.

Orders cancelled after testing will be subject to a \$500 cancel fee.

Language translation of html messages is available for a fee.
